

BG FLOORING
(NE) LTD

We are looking for another flooring installer to join our team long term!!

If you or someone you know would like to know more about what we do or any other details please get in touch.

We have built up a large portfolio of domestic and commercial clients and as well as having ongoing contracts we have also been awarded more work.

We're ideally looking for someone that can join our team of fitters either on the books or a self employed basis and work along side lads to a good standard.

Driving licence essential

CSCS card preferred

Van, fuel card and all large machines can be provided and salary can be discussed depending on experience etc.

Materials

- Sub floor prep
- Traditional and contract carpet
- Domestic and commercial Vinyl (Inc cap/cove)
- Domestic and commercial LVT's
- Various woods
